

KAPUNDA *High School*

In 2019, I will be taking leave for the full 12 months. I have completed my five year contract as the Maths Coordinator at Kapunda High School. Before my position as Coordinator, I had already been working with the Maths faculty for three years as the Barossa Numeracy Coach. This may be my farewell as I may decide to retire and there is no guarantee of a suitable position at KHS in 2020.

During my eight year association with Kapunda High School, I have made friends in the Kapunda community and have thoroughly enjoyed the company and professionalism of the staff at the school. Staff have supported me through their compassionate understanding during some tough family times and helped celebrate the good times.

I will miss the collegiate atmosphere at the school and I will miss the students. I have gained much knowledge about both teaching and learning, and leadership; attributes I will treasure for the rest of my life.

No matter what the future brings, I will always treasure the years at Kapunda High School.

Thank you to the wonderful staff for making the time here fly so fast!

Jeanette Venhoek
