## BUS TRAVEL INFORMATION

### BUS ORGANISATION

All services, with the exception of the privately owned Adelaide(Gawler)-Barossa Service, are free for eligible students.

Detailed information of bus stop and departure times are available from the Bus Administrator, Mrs Kaye Clancy. Information regarding the public bus service, bus route and cost involved can be obtained directly from Link SA - (08 8562 1999).

Application for changes to an existing bus route can be made. Approval may be made following consideration of a number of issues and consultation with the principal, regional director, governing council and parents as necessary.

### CURRENT BUS ROUTES

The Bus Administration Officer, will assist families in determining which stop is most appropriate. Specific bus route information can be obtained from the Bus Co-ordinator.

- Being offered a place at Kapunda High School, doesn't automatically mean that bus transport is provided by the Department for Education.
- Students are entitled to access the closest bus route to their home. For students who live in the Kapunda region, Freeling, Roseworthy and Wasleys area, this will be a bus serving our school.

Current bus routes are:

- Freeling/Fords
  - Wasleys/Templers
  - Freeling
  - Hamilton/Bagot Well
  - Roseworthy
  - Gawler Link SA (public service)
- However, if your home is closer to another school's bus route (eg Gawler B-12 or Riverton District HS) then families are unlikely to be given permission to travel on a bus servicing Kapunda High School.
  - This doesn't mean that you can't attend Kapunda High School, it just means that families are responsible for organising their own transport.
  - If families believe there are special circumstances, then you can put in an application for consideration. Please contact Kapunda High School Reception to obtain the application form. Ultimately, the Education Director for the Gawler Portfolio of schools will make the decision.
  - There is a public Link SA bus that travels to Kapunda from Gawler – there is a cost. Please contact (08 8562 1999) for further information.

Bus travel rules and information is provided to students who use Department buses at the beginning of the year. Detailed information may be obtained by contacting the Bus Administrator, Kaye Clancy. The policy is available on our website: <https://kapundahs.sa.edu.au/> (School Information), as is the School Bus Bushire Procedures policy.

- Carry all bags in front of you when getting on or off bus, being careful not to bump others.
- Store all school bags under the seats where possible, leaving the aisle clear.
- Promptly follow all directions given by the driver.
- Stay in your assigned seat, use seat belts if provided, facing the front, with your feet on the floor while the bus is moving.

- Keep your hands, feet and objects to yourself and leave other student's property alone.

- Do not swing on seat handles or door frames.
- Do not eat or drink on the bus.
- Wait for the bus to become stationary before getting off.
- After getting off the bus, wait for the bus to move away before going to meet parents or crossing the road.

## CONSEQUENCES FOR UNSAFE AND INAPPROPRIATE BEHAVIOUR

- Warning – from the driver.
- Move to the front of the bus for the remainder for the trip.
- Incident report by the driver and lunch time detention.
- Suspended from bus travel for three days (6 trips) and re-entry meeting involving parent(s) student and school staff member.
- Suspended from bus travel for one week (10 trips) and re-entry meeting involving parent(s) student and school staff member.
- Further suspensions.

This process will operate over a year. At each stage of this process, the Bus Administrator or Principal will inform parents either by telephone or in writing.

Any damage or vandalism caused by students on the bus will be repaired and the parents/ guardians billed. A student deliberately damaging the bus may not be permitted to travel on the bus until payment has been made for the repair.

## TRAVEL CHANGES

**'I've moved house and need to catch a different bus.'**

Approval for DfE bus travel is granted, provided specific criteria are met. Where there is a change in residence, new approval will need to be sought to ensure that the student is still eligible. Parent/caregivers may contact Bus Administrator, Mrs Kaye Clancy who will process the application. Once approval has been granted, the bus drivers will be notified and a change can be made.

**'I need to get off the bus at a different stop.'**

Where a student wishes to **board or get off a bus at an alternative bus stop**, a note signed and dated by their parent/caregiver is required by the bus driver the day before.

Permanent changes will require pre-approval by the Bus Administrator, Mrs Kaye Clancy.

**'I'm not going home on the bus.'**

If a student is not going home on the bus, the student must inform the bus driver in the morning, with a signed and dated note from their parent/caregiver.

## Casual Bus Travel

As students are assigned seats and buses can be at capacity, there may not be available seats for students who wish to use a DfE bus for casual travel. For instance, should they plan to stay at a friend's house over the weekend and travel on their bus.

All students who are not regular passengers on a bus must provide a signed and dated note from a parent/caregiver to either the Bus Administrator, Mrs Kaye Clancy, who may give permission if there is an available seat. The note, signed by the Bus Administrator, must then be shown to the bus driver. This must be done the day before to allow sufficient time for arrangements to be made.

**'I'm not catching the bus anymore.'**

If a student longer requires the use of the bus service, parent/caregivers must inform the Bus Administrator, Mrs Kaye Clancy, who will also notify the bus driver.
