

ABOUT US

Kapunda High School is a country school steeped in a strong academic culture, rich traditions and long history of providing world-class education for generations of young people - stretching back over 100 years.

We are a unique school, founded on the generosity of Entrepreneur and Philanthropist Sir Sidney Kidman and set in a learning environment where students can achieve, grow and thrive.

We have recently received interest from the community to donate to our school. As a result, our Governing Council have established a School Building Fund through the Australian Taxation Office (ATO).

The **Kapunda High School Governing Council School Building Fund** will use funds to maintain, repair and upgrade our school buildings and facilities across our school.

The fund is Deductible Gift Register (DGR) approved for all donations \$2 or above (tax deductible). If you would like further information or to contribute to the fund, please contact us at: **dl.0779.info@schools.sa.edu.au** or **(08) 8566 2203 ext. 4.**

WHAT WILL THE FUNDS GO TOWARDS?

Maintain and repair our school buildings

Provide and supply equipment for learning spaces

Contribute to furnishing of student learning spaces

Construction of learning facilities

Contribute to the acquisition of new school buildings

THANK YOU....

As a whole school community, we would like to thank the local and wider communities for your ongoing support of our school. Your generosity is much appreciated and will contribute to improving our school and children's futures.
